A \$500 non-refundable deposit must be submitted once stud dog is decided upon or it is agreed upon that stud owner will receive a first-pick puppy. Any veterinary service and/or other expenses incurred, including additional progesterone testing are to be paid by the **Owner** of the Bitch. The Owner of the Stud shall exercise due care and caution in handling the Bitch but is in no way liable for injuries, illness or loss of the Bitch. The Owner of the Stud will sign A.K.C. Litter Registration at the time of whelping.

**TERMS AND CONDITIONS:** Two or more live puppies constitute a litter. Should the above Bitch not prove to be in whelp, or if the litter is less than two puppies, notice must be given to the Owner of the Stud immediately following the whelping date. In such case, a return service will be given to the same Bitch. If the Bitch fails to whelp the second time, there will be no refund of fees.

The Stud Dog Owner reserves the right to refuse stud service to any Bitch for the following reasons:

It is further agreed that any puppies resulting from the above service will not be sold to pet shops, puppy franchises, brokers or dealers nor may they be given to any of the aforementioned. Penalty for reach of this paragraph is \$2,500.00 per animal involved, payable upon demand. **Puppies resulting from this service are to be sold on LIMITED AKC registration unless kept or co-owned with the breeder and/or stud dog owner.**
